

Система юридического сопровождения проектов для Лаборатории Касперского

Обеспечили возможность для 2,5 тысяч пользователей одновременно работать
над несколькими проектами

The screenshot displays the StecPoint interface in two overlapping browser windows. The top window shows a navigation menu with tabs: Project, EULA, 3PC, 3PC IP, Errors, Questionnaire, Documentation, IS, BRS/SRS, Patent clearance, and Verdict. Below the menu, there's a section for 'Intranet portal' with a table of items:

Name	Created	Approved
Intranet portal	9/1/2016 12:33 PM	Approved
legal notices	9/1/2016 12:33 PM	Approved

Below this table are buttons: + Code, + Inherited Code, Check Code, Get Requirements. At the bottom, there's another table with columns: Title, Version, License, Type:

Title	Version	License	Type
bootstrap	2.1	GPL	Component
jquery	1.7	JQuery 1.7	Usage

The bottom window shows a 'PATENT CLEARANCE PER PRODUCT REPORT' with a 'Project timeline' filter set to 00/00/0000. Below the filter is a table of project entries:

Title	Status	Start Date	Finish Date	Top-Level Project	Project	Release Date
PC4	Approved			Intranet portal	IP V1.0.0.3215	5/01/2016

Задача

- Упорядочить проверку новых версий продуктов на патентную чистоту
- Оптимизировать связанные процессы юридического отдела компании

Решение

Разработали информационную систему для автоматизации ведения заявок на объекты интеллектуальной собственности, задействованные в процессе выпуска новых версий продуктов

The screenshot displays the StecPoint software interface. At the top, there is a search bar and a user profile icon. Below this, a navigation menu includes tabs for Project, EULA, 3PC, 3PC IP (selected), Errors, Questionnaire, Documentation, IS, BRS/SRS, Patent clearance, and Verdict. The main content area is titled 'Intranet portal' and shows 'IP V1.2.0.6814' with an overall status of 'Requirements fulfilled'. A secondary navigation bar includes '3rd party code', 'Directory licenses', 'Matrix of 3rd party code' (selected), 'Directory type of use', and 'Requirements & Legal Notice files'. Below this is a table with columns: License, Type Of Use, Modification, Status, and Is Used In Prosed.

License	Type Of Use	Modification	Status	Is Used In Prosed
<input checked="" type="checkbox"/> License : GPL (1)				
<input type="checkbox"/> GPL	Contribute and change	No	Approved	Yes
<input checked="" type="checkbox"/> License : License ror JQuery 1.7 (1)				

At the bottom of the table, there is a filter dropdown set to 'All', a search bar, and a '+ New item' button. Below the table, there is a section for 'Code for verification' with another table header: Title, Version, License, Type Of Use, Modification, Status, Is Used In Prosed.

Настроили автоматическую генерацию Legal Notice и требований к стороннему коду, используемому в проектах

The screenshot shows a web application interface with a teal sidebar on the left containing icons for home, list, lightbulb, chat, and settings. The main content area has a breadcrumb trail: Project > EULA > 3PC IP > Errors > Questionnaire > Documentation > IS > 3PC > **BRS/SRS** > Patent clearance > Verdict. Below the breadcrumb is a search bar and a user profile icon. The main heading is "Intranet portal" with a green "Approved" tag. Below the heading is the text "IP V1.2.0.6814". A table with 8 columns (Title, RS Type, Version, IP Counsel, Link, Status, Comments) displays two rows of data. The first row shows "BRS1" (New) with status "In progress". The second row shows "BRS2" (New) with status "Not stated" and a comment "Incorrect definition of BRS". A "+ New BRS" button is located at the bottom left of the table area.

Внедрили оповещение пользователей об изменении статусов документов

The screenshot displays a web application interface for document management. At the top, there is a navigation bar with tabs for 'Project', 'EULA', '3PC', '3PC IP', 'Errors', 'Questionnaire', 'Documentation', 'BRS/SRS', 'IS', 'Patent clearance', and 'Verdict'. The 'Verdict' tab is currently selected. Below the navigation bar, the main content area shows the title 'Intranet portal' with a green 'Approved' status indicator. Underneath, the document ID 'IP V1.2.0.6814' is displayed. A 'Comments' section contains the text 'Sign release 1.2.0.6814'. Below this, a list of status indicators is shown for various document components:

Component	Status
EULA status	Approved
Questionnaire status	Approved <small>Task has been approved/closed with comments: Approved with some comments</small>
Errors status	Closed
Documentation status	Approved
IS status	Not stated
BRS/SRS status	Approved
Patent clearance status	In progress
3PC status	Not approved

Результат

- Создали отлаженный и четко проработанный процесс работы с объектами интеллектуальной собственности
- Обеспечили ведение, поддержание целостности и актуальности иерархии заявок и документов по выпуску новых версий продуктов
